*Understanding What it Means
to*

Name It! Claim It!! Take It!!!

Chapter One

The Master Key to a Breakthrough

Now the just shall live by faith...

Hebrews 10:38

What does it mean to “Name It, Claim It and Take It”? “Name It, Claim It and Take It”, is simply a descriptive term for exercising your faith. Every Christian must have faith and must exercise it! Faith is the reason for breakthroughs and miracles in our lives. Faith is the reason for answers to prayer. Generally speaking, people who have faith are more prosperous than those who do not. I have noticed a difference between Christians who walk by faith and those who do not!

Faith people also experience disappointments, sickness and other shortcomings. However, very generally speaking, I notice a trend of blessings, abundance and long life among those who believe for them.

Now the just shall live by faith: but if any man draw back, my soul shall have no pleasure in him.

Hebrews 10:38^{F.O.V.}

God is saying that if you draw away from faith, He will not be pleased with you. There are those who think that faith is not so important. They tend to draw away from the faith message and faith people. They feel that there must rather be an emphasis on patience, gentleness, holiness, etc. I believe these are important, and they all play special roles in the Christian life. *This, however, does not mean we should play down on the importance of faith to the Christian life.* The fact that the heart is important to the body does not mean that the kidneys are not equally important. Both are important, and both have special roles to play.

Faith is a very special virtue which has a key role to play in every Christian's life. The Bible says that without faith it is impossible to please God.

**But without faith it is impossible to please him:
for he that cometh to God must believe that he is,
and that he is a rewarder of them that diligently
seek him.**

Hebrews 11:6

It is interesting to note that the Word of God does not say that without love it is impossible to please God. The Bible does not say that without peace it is impossible to please God. The Bible is very clear on this fact: **WITHOUT FAITH IT IS IMPOSSIBLE TO PLEASE GOD!**

Abraham's faith in God was considered as an act of righteousness. Abraham believed that El' Shaddai was able to give him a child in his old age. Abraham had his faults. He lied about his wife and surrendered her twice to unbeliever kings for their pleasure.

In spite of his lying and cowardly behavior, God was very pleased with Abraham because he had faith in His commandments.

Maybe by your standards, Abraham would have been disqualified. Perhaps in your opinion, Abraham was not a great guy. But he was a great man in God's sight. His greatness was as a result of his faith.

And being fully persuaded that, what he had promised, he was able also to perform. And therefore IT WAS IMPUTED TO HIM FOR RIGHTEOUSNESS.

Romans 4:21,22

Dear Christian friend, God is happy, impressed and pleased when you believe in Him. When you believe that God will heal you, you make God happy! When you believe that God will prosper you, you make God excited. When you believe that your breakthrough is on the way, God is so pleased with you. When you have faith that you will live long, God is provoked to extend your life. **When you believe that God will give you increase and abundance, you excite the deep parts of El' Shaddai.** You make Him pour out the milk of His blessings into your life.

I see you walking in the great blessings of Jehovah! I see you enjoying an abundant life in God! I see you free from sickness and disease! I see the power of curses broken in your life! I see that God is pleased with you because you believe in Him!

From today, never doubt any part of God's Word. Accept that you are the champion He is speaking about. Flow with the message of prosperity, healing and abundance. Always remember that God is happy when you believe in Him.

God is not a God of poverty. Since I came to know the Lord I have not decreased in any way. I do not read about decrease, failure, setbacks and limitations in the Bible. I see only abundance, promotion and deliverance from my enemies. I see God lifting me up everyday! God did not bring you to Christ in order to demote and disgrace you. He brought you to Christ to lift and establish you in an abundant life. Jesus came that we might have life and have it more abundantly (John 10:10).

Jesus Blessed the Faith People

Under the ministry of Jesus, several people experienced personal breakthroughs. Who were they? And why did they receive these miracles?

You will remember what Jesus said about the woman with the issue of blood. This was a woman who had suffered for twelve years without any breakthrough. She came up to Jesus and received an extraordinary miracle. What was the secret of her breakthrough? Jesus gave the answer in Mark 5:34

...Daughter, thy faith hath made thee whole...

Mark 5:34

Blind Bartimaeus received his sight miraculously. He was a noisy fellow who disturbed the service. But Jesus took notice of him and healed him. What was his secret? His secret was faith in God. He had his healing by naming it, claiming it and taking it! Look at what Jesus said to Bartimaeus:

...THY FAITH hath made thee whole.

Mark 10:52

The sinful woman who poured an alabaster box of ointment on Jesus' feet also received a miracle of forgiveness. Why did Jesus forgive her? Jesus said to the woman,

...THY FAITH hath saved thee; go in peace.

Luke 7:50

Ten lepers were healed and only one came back to say thank you. The one who came back was made whole. Why did this leper receive an extra blessing? Jesus said the same words to him.

...Arise, go thy way: THY FAITH hath made thee whole.

Luke 17:19

Two blind men came to Jesus and asked for the mercy of God. Jesus touched them and healed them. What makes such nice things happen to some people? What were His words to these two men?

...According to YOUR FAITH be it unto you.

Matthew 9:29

Have you noticed that Jesus never said, "Thy love hath made thee whole"?

Jesus never said, “Thy holiness hath saved you.”

He never said, “According to your patience, be it unto you.”

Why did Jesus not say, “Thy good character hath made thee whole”?

Please do not misunderstand me! I am not saying that these virtues are not important! I am saying that it is the people’s faith that impressed Jesus. I am showing you that Jesus pointed out over and over that it was their *faith* that had brought the breakthrough. That is why the Bible says that without faith it is impossible to please God.

Have you ever thought of those men who broke through the roof of somebody’s house in order to bring their paralyzed friend to Christ? Perhaps they were experienced thieves who were used to breaking into people’s homes. Perhaps they were men who were used to jumping the queue and cheating others out of their rightful place. But the Bible tells us that Jesus noticed their faith and immediately responded to their needs.

And WHEN HE SAW THEIR FAITH he said unto them, Man, thy sins are forgiven thee.

Luke 5:20

Jesus didn’t see their fault for jumping the queue or removing the tiles from somebody’s roof. He saw their faith! Jesus sees your faith! God sees your faith! It is time for you to rise up and believe the things that are written in the Word of God. According to your faith, it shall be done unto you!

Chapter Two

Developing Real Faith

When I was a younger Christian, the concept of having faith looked farfetched to me. After all, it seems unrealistic to command a mountain to move into the sea. Who could imagine such a thing? Even Jesus never transferred the mountains around Jerusalem to another location.

Faith has always seemed like something that emotionally strung people got involved with. It had looked like something that people who were not practical and down-to-earth got involved in. Faith people sometimes have the image of lazy Christians who are unwilling to work and just wish for good things to happen magically. But faith is none of these!

What is faith?

Now faith is the substance of things hoped for, the evidence of things not seen.

Hebrews 11:1

Faith is the assurance of things you are hoping for. Depending on your background, faith may seem more or less substantive. If you grew up in a critical and godless society, you will have less faith in the supernatural. In spite of this, when you are born-again, you are given a measure of faith from God.

...God hath dealt to EVERY MAN the MEASURE OF FAITH.

Romans 12:3

This means that everyone has some amount of faith. You may say, "I don't believe in anything!" But that is not true! Every time you sit on a chair you are exercising faith in the chair. You believe it will not collapse, that is why you sit on it without thinking twice. Every time you sit in a car or an airplane, you are exercising faith in technology. You are also putting your faith in the driver or the pilot in the cockpit.

Whether you know it or not, you have a measure of faith. It is important to develop that faith. The subject of faith is a mysterious one and we have a lot to learn about it. I know of people who have exercised a lot of faith and this faith has resulted in many breakthroughs. There are also people who have seemingly exercised faith, without getting the same results. I do not have all the answers and neither does anyone. The Bible describes faith as a mystery.

Holding THE MYSTERY OF THE FAITH in a pure conscience.

1 Timothy 3:9

It is our duty to seek after the Lord and learn all we can from Him.

Every Christian is at a different level of faith. It is important to know that your faith can be at a higher or lower level depending on several factors. Before you can name it, claim it and take it, you must know what level of faith you are at! It is unreasonable to expect a three-year old boy to drive a real car! All he may be allowed to ride is a little tricycle, because he is just not capable of driving an adult's car!

This, however, does not make him inferior. All it means is that the boy is not mature enough to handle a real car. When he is older and mature enough, then he will be capable of handling bigger things.

There are many Christians who are believing God for things well beyond their level of faith. You must know the level of your faith. There are many things I do not pray for. There are things I have not exercised my faith about. I know I am not ready to move into certain levels of faith yet. One day when I am ready, I will. When I do exercise faith at that level, I believe I will get one hundred percent results.

TYPES OF FAITH

The Bible speaks of different levels of faith. The Word of God teaches us that you can have little faith, great faith, growing faith, dead faith, weak and strong faith and even shipwrecked faith. All these descriptive terms tell us that the status of your faith can vary.

Notice the different scriptures that describe the levels of faith we can have.

Little Faith

...O thou of LITTLE FAITH, wherefore didst thou doubt?

Matthew 14:31

Great Faith

...I have not found so GREAT FAITH, no, not in Israel.

Matthew 8:5-10

Weak Faith

And being not WEAK IN FAITH...

Romans 4:17-19

Strong Faith

He staggered not at the promise of God; but was

Exceedingly Growing Faith

We are bound to thank God always for you, brethren, as it is meet, because that your **FAITH GROWETH EXCEEDINGLY...**

2 Thessalonians 1:3

Increasing Faith

And the apostles said unto the Lord, **INCREASE OUR FAITH.**

Luke 17:5

Full of Faith

...and they chose Stephen, a man **FULL OF FAITH** and of the Holy Ghost...

Acts 6:5

Faith Unfeigned or Genuine Faith

Now the end of the commandment is charity out of a pure heart, and of a good conscience, and of **FAITH UNFEIGNED:**

1 Timothy 1:5

Unwavering Faith

But let him ask in FAITH, NOTHING WAVERING...

James 1:6

Rich Faith

...Hath not God chosen the poor of this world
RICH IN FAITH...

James 2:5

Perfect or Mature Faith (Fully Developed)

Seest thou how faith wrought with his works, and
by works was FAITH MADE PERFECT?

James 2:22

World Overcoming Faith

For whatsoever is born of God overcometh the
world: and this is the victory that OVERCOMETH
THE WORLD, EVEN OUR FAITH.

1 John 5:4

Failing Faith

But I have prayed for thee, that THY FAITH FAIL
NOT...

Luke 22:32

Shipwrecked Faith

Holding faith, and a good conscience; which some having put away concerning FAITH HAVE MADE SHIPWRECK:

1 Timothy 1:19

When you look at all these types of faith, you realize that faith is a very variable condition. Do you have strong or weak faith? Are you full of faith? Is your faith dead or alive? These are important questions that you must ask yourself.

HOW TO IMPROVE YOUR FAITH

You will notice that there are some types of faith that you should try not to have. Your faith must not be weak, little, dead or shipwrecked. Just as a weak or dead dog cannot guard your house, weak and dead faith can do you little good. If you are going to have a dog, get a strong one! If you are going to have faith, make sure you get living, strong and rich faith. But how does one go from little faith to great faith? How does one acquire exceedingly growing faith? What is the secret to acquiring the faith that brings breakthrough? The answer is in the Bible.

I am going to share with you Biblical methods for improving your faith. There are three simple ways to improve your faith: *hearing the right things, seeing the right things, and using it* (your faith).

Faith Comes by Hearing

The principal way to improve your faith is by hearing. The Word of God teaches us that faith comes by hearing.

So then FAITH COMETH BY HEARING, and hearing by the word of God.

Romans 10:17

Whether you like it or not, what you believe in is determined by the things you hear. There are two ways by which every human being hears or listens to things: intentionally or unintentionally. Which ever way it is, your faith ends up being affected.

Is it true?

In Ghana, certain tribes are believed to have certain characteristics. Many people believe in these characteristics, even though sometimes they have no basis for doing so. There is a tribe in Ghana which is believed to be steeped in witchcraft and juju power. One person told me that when Satan was cast out of heaven, he fell into that region of Ghana and left his slippers there!

I know of people who refuse to rent their houses to people from that tribe, no matter how much they are willing to pay. Sometimes they have not even met anyone from that particular tribe, but because these sayings have been repeated over and over, people believe that they are true. Faith comes by hearing! I find it very interesting that although there are other regions and tribes which are equally

or maybe even more involved with witchcraft and occult activities, they do not receive as much attention!

My impression of people from this tribe I referred to is that they are easy going and very pleasant people. If I was to accept the things that have been said, perhaps I could not even flow with such people. I know of pastors who are even afraid to have crusades in such regions because they have heard so much about the black magic power of the region.

Perhaps they also believe that Satan fell into that region when he was cast out of heaven! You see, if such pastors had heard more about the power of God, they would probably have believed that the power of God is greater and better than any other power. No power of the enemy can stand up to the power and the blood of Jesus.

I also know young women who are desperate for husbands, but who would prefer to remain unmarried rather than marry men from certain tribes. Why is this? They have heard over and over, that certain groups of people have certain negative characteristics.

Can you marry a boxer?

When I was going to get married, my wife was very hesitant to get involved with me. She had heard so many negative things from her mother and aunts who had told her that the tribe which I came from were disagreeable. They told her stories of women who had married from my tribe and were beaten up by their husbands.

They went on to prove their theory by showing her that all the world famous boxers of Ghana were from that tribe!

My wife-to-be probably believed this because she had heard this from childhood. Whether you like it or not, faith comes by hearing! Even when you hear a lie, it has the power to make you believe. That is why some politicians are afraid of churches. They know that our people believe what we tell them. This is the reason why politicians try to control the media. They know that people believe what they hear, whether it is true or not.

Have you ever asked yourself why one of the first places to be captured in a military coup d'état is the broadcasting station? It is important for the new rebels to make everyone, especially the army, believe that there is a new government. The army has instructions to defend the government in power. The armed forces can only switch allegiance when they have been informed that there is a newly established government.

I once asked a Nigerian man, "What do you Nigerians think about Ghanaians?"

He immediately responded, "O we see you as people who are *poor* and *proud!*"

I thought to myself, "Perhaps this message that Ghanaians are 'poor and proud' is in the minds of many Nigerians." Maybe some have never even met any Ghanaian, yet they believe in their hearts that we are poor and very proud. Where does this notion come from? It comes from what they hear all the time.

I decided to ask several other Nigerians the same question. To my amazement, they all had the same impressions.

Where did they get these ideas from? How come they believe these things about Ghanaians? Faith comes by hearing!

What am I trying to say? All that I'm saying is that faith comes by hearing. What you keep hearing is what you believe. If you are in a church that believes in prosperity, you will believe that prosperity is a good thing and will gravitate towards it. If you are in a church which preaches that sickness and disease are sent from God to teach us humility, that is what you will believe. This is why Jesus said you must be careful about what you hear.

And he said unto them, Take heed what ye hear...

Mark 4:24

When I first became a doctor, many people said, "Now that you are a doctor you will be able to minister to people both spiritually and physically."

What people don't realize is that for seven years, I heard all about the causes, progression and the outcome of every disease under the sun. Medical science teaches us that many conditions are hopeless. It teaches us how many situations are truly impossible and how the prognosis is often bleak.

After hearing such things for years, it is an uphill task to believe that God can and will undo the sicknesses that ravage the human race. I find it far easier to have faith when I don't know the medical implications of a thing.

Faith comes by hearing. You must be careful about what you hear.

Guard your ears

If you hear that the economy is going down and therefore everyone is going down, you will believe and act accordingly. Money, which is a piece of paper, depends on the faith of the masses. As soon as the faith of people in money or in the banking system drops, the whole financial world can collapse. Whenever there is bad news in some major financial center, it sends ripples of fear into the minds of the millionaires of this world. They begin to scramble for their money. This is what causes stock markets and banks to go crashing down.

We must learn how important it is to guard our ears. You must not allow yourself to hear bad news and discouraging stories. Fear is a type of faith and it also comes by hearing. You must select your friends and walk with people who speak encouraging and positive words.

I once had some friends who didn't believe in me. They criticized me all the time. They saw no good thing in my ministry. I got rid of all those people and now I am surrounded by friends who say positive things.

It is also important for you to speak positively over your children. If you tell them, "You are daft", "You are stupid" and "You are bad", they will soon believe that they are daft, stupid and bad. I know of children who have been called "devil" by relatives until they eventually turned out to be human "devils".

This is why listening to tapes is such an important spiritual exercise. You must intentionally acquire preaching tapes and soak them in.

You must not listen to worldly music. You must surround yourself with Christian music. Music has a message and you will soon believe what you are hearing.

Faith is affected by what you See

Although this statement is not in the Bible, it is also true. What is not explicit in scripture is often implicit in the Word! When Peter walked on the water, he did very well and his faith worked perfectly until he *saw* certain things.

BUT WHEN HE SAW the wind boisterous, he was afraid; and beginning to sink, he cried, saying, Lord, save me.

Matthew 14:30

He *saw* the wind and the waves and this had a terrible effect on his faith. What you *see* affects your faith! Peter's faith dropped drastically and he began to sink. Peter did not hear a message of doubt to disturb his faith level. He was not told anything to fill his heart with doubt. He just saw the wrong things! He saw the wind and the waves in action and that is what struck at his faith.

It is sometimes better to pray and believe God about things without seeing certain things. When you begin to observe the wind, waves and the water, your faith can fly out of the window!

Faith Comes by Using It

Everyone has a level of faith. The more you use it, the more it increases. If you believe God for a bicycle and it happens, your faith will rise and you will have faith to believe God for a car. It is like lifting weights. You start from a lighter object and graduate upwards.

Jesus told the parable of the nobleman who gave a pound each to his ten servants. On his return from a long journey, he inquired from each of them how much they had gained by trading (using). You will discover from this parable that *using* of the one pound led to a natural increase in the number of pounds.

He said therefore, A certain nobleman went into a far country to receive for himself a kingdom, and to return.

And he called his ten servants, and delivered them ten pounds, and said unto them, Occupy till I come.

But his citizens hated him, and sent a message after him, saying, We will not have this man to reign over us.

And it came to pass, that when he was returned, having received the kingdom, then he commanded these servants to be called unto him, to whom he had given the money, that he might know how much every man had GAINED BY TRADING.

Then came the first, saying, Lord thy pound hath gained ten pounds.

And he said unto him, Well done, thou good servant: because thou hast been faithful in very little, have thou authority over ten cities.

Luke 19:12-17

I find it easier to pray for the sick now. Sometime ago it was difficult to exercise my faith in that area of ministry. After doing it for some time, it takes less effort to believe God for miracles of healing in miracle services. Faith definitely increases as you use it. God has given us the principle of gaining by trading. You gain as you trade! You increase as you use it!

As you use these three principles, your faith will gradually move from weak to strong and from little to great! You will no longer have dead or shipwrecked faith. As you hear testimonies of great things that God has done, your faith for the same will rise. Your faith will become exceedingly growing faith.

Chapter Three

Name It!

What do you want from God? Just name it! I have discovered that God is our greatest friend. Traditionally, people have blamed the Lord for every bad thing that happened. Even in legal jargon, events like earthquakes, floods and tornadoes are called “Acts of God”. What does this mean? What are they trying to say? They are blaming God for the bad things which occur! What about the devil? If God does all these evil things, what does the devil spend his time doing?

Whenever something bad happens, people would say, “God is moving in a mysterious way, His wonders to perform.” In a certain sense, it is true that God is mysterious to us but, His real nature is revealed in the Word.

In Genesis Chapter One, God is known as “Elohim”, the Creator of the universe and the Creator of nature. In the life of Abraham, God reveals Himself as “El’Shaddai”. “El’Shaddai” is the God who goes against nature and blesses Abraham with a child in his old age. We see Him as the one who blesses His children giving them long life and prosperity.

How then do we blame Him for every bad thing that happens? The devil wants you to believe that God is fighting against you. The opposite is true! God is the best friend you have. The God you serve is the God of promotion and blessing. If God did not hold back Jesus Christ, what good thing will He withhold from us?

He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things?

Romans 8:32

The Bible describes God as the sun and the shield who gives grace and glory. God is giving you beauty for ashes right now! He's making your life glorious as you name it and claim it!

For the Lord God is a sun and shield: the Lord will give grace and glory: no good thing will he withhold from them that walk uprightly.

Psalm 84:11

Did God Try to Kill Jesus?

I want you to remember an experience that the disciples had with the Lord. They were in a boat trying to cross the Sea of Galilee when a storm struck. What did Jesus do?

Did he stand up and declare, "*God moves in a mysterious way his wonders to perform*"?

Did he say, *“I don’t know why God has sent this storm to kill me, but He is working His perfect plan”*?

No, he did not! He rebuked the storm.

...Then he arose, and REBUKED the wind and the raging of the water: and they ceased, and there was a great calm.

Luke 8:24

If God is the one who sent the storm to kill Jesus and the disciples, then Jesus actually rebuked God. By rebuking the storm, Jesus was disapproving of it. He was stopping the agents of destruction from shortening his life and ministry. Did Jesus rebuke God? Certainly not! The storm was not an “Act of God” sent to destroy them!

The Bible teaches us that it is the thief or the devil who comes to steal, to kill and to destroy.

The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly.

John 10:10

God does not come into your life to destroy you! El’Shaddai does not come into your life to kill you. He is here right now to prolong your life and to extend your days. Your duty is to know and to believe that God is your friend who is trying to help you. In actual fact, God is your very best friend.

...and there is a friend that sticketh closer than a brother.

Because God is such a good God, He wants you to name your blessings. Traditionally, we have thought that having nice things is sinful. To be a holy Christian means to be nothing and to have nothing. But God has a bountiful store of blessings waiting for those that believe. That is why His Word says you can ask for whatsoever you desire and you can receive it.

Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.

Mark 11:24

This scripture does not say, “Whatsoever things you *need*.” It does not say, “Whatsoever things *God desires for you*.” It says, “Whatsoever *YOU* desire.”

Please read it loud and clear! God is saying that you can have *your* desires. What do *you* desire? What is your wish? God wants you to name it! God wants you to ask for it! **The reason why many Christians do not have answers to their prayers is because they do not ask.** Often we think we are carnal if we ask for nice things. But the Bible is very clear on this.

... ye have not, because ye ask not.

James 4:2

If God did not withhold Jesus Christ from us, what good thing is He going to keep back from your life? (Romans 8:32)

One of the scriptures I love is John 15:7—

If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you.

John 15:7

Jesus was teaching us that God is prepared to give us what *we* want. He said that you shall ask what you will and not what God wills for you. God knows that you have a will. You can choose to serve Him or not! God wants to work with people who have chosen to and are willing to serve Him.

The fact that you are a Christian does not mean that you no longer have a will or a desire for certain things. God knows that and He encourages you to come to Him and ask for what you wish. This is the Word of God.

Of course, there are some conditions. John 15:7 says that if you abide in Him and His Word abides in you, you can ask for what you want! **When you abide in Christ your desires will line up with the Word of God.** I came to know the Lord years ago. My desire now is to win more people to Christ. I desire to experience church growth and the blessings of the Holy Spirit.

Somebody may ask, “Don’t you desire more money or cars?” The answer is no. If it was money I desired, I would simply practice medicine in America. That would be a simpler way of satisfying a desire for money.

The problem many people have is that they think it is impossible to have more spiritual desires than carnal ones. It is not! There *is* a certain level of spiritual maturity where carnal things do not mean so much to you.

As you abide in Christ and His Word abides in you, you will desire things that are consistent with the Word of God. When you name them and claim them, you will receive them.

When you have the right heart, wealth and riches cannot destroy you. All the patriarchs who served the Lord were blessed with abundance and wealth. The prosperity of Abraham, Isaac and Jacob often intimidated their neighbors and incited jealousy. The Bible says that Abraham was very rich. God had made him rich. In fact, at one time, Abraham wanted people around to know that it was not them who had contributed to his riches. Because of this he refused a large gift from the King of Sodom.

And Abram said to the king of Sodom, I have lift up mine hand unto the Lord, the most high God, the possessor of heaven and earth. That I will not take from a thread even to a shoe latchet, and that I will not take anything that is thine, lest thou shouldest say, I have made Abram rich:

Genesis 14:22,23

God was obviously prospering Abraham. Abraham knew that his prosperity was coming from one source – El' Shaddai. Remember that every good and perfect gift comes from above. Abraham's faith in God was not destroyed by his riches. The Bible makes it clear that it is the love of money and not money itself that corrupts.

For THE LOVE of money is the root of all evil...

1 Timothy 6:10

From today, begin to name all the things that you desire from your heavenly Father. He is standing by to respond to your faith. *Don't forget that God is impressed with people who believe in Him.*
